About us

Dear Client

We wish to introduce ourselves as AIDA, an innovative advertising and event management company working to make real four important words in a businessman's lexicon. Grab the attention, hold his interest in your cause, make it the object of his desire and leads him to the action of enjoying it. And that's exactly what we do for you. Our young, energetic and efficient team will do everything possible to help you gain that extra edge over others. And to spring your customers into action.

We have solutions to meet all requirements, including

Advertising & Modeling

Corporate parties, Websites & Events

Wedding Planning

Movies & Ad Films

Entertainment event

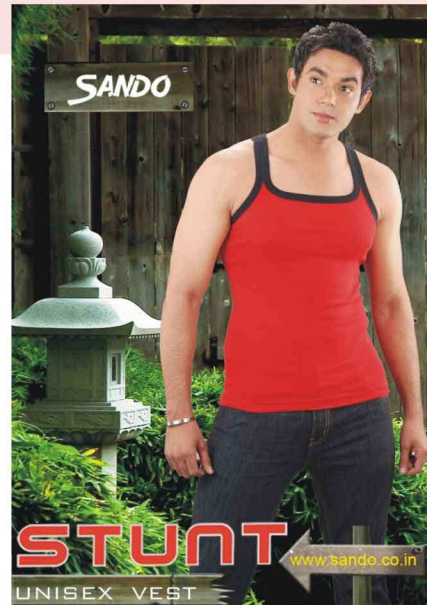

We can do it all for you at very competitive prices. Just give us a call and watch action happening.

AIDA

Advertising & Modeling

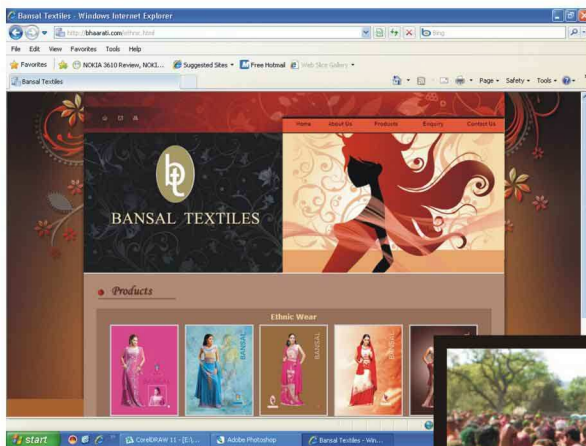

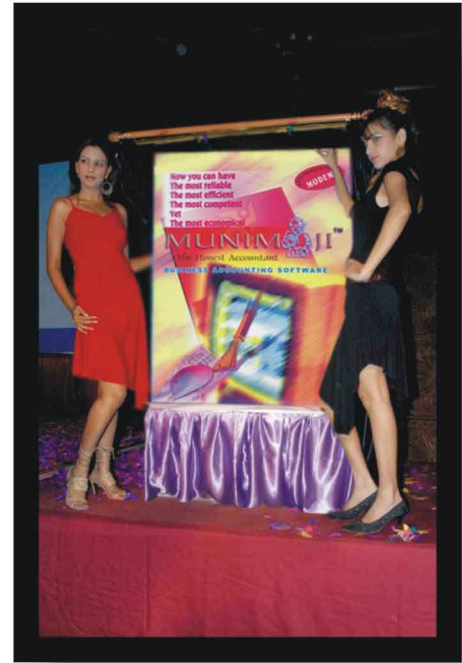

We specialize in developing print marketing communications including posters, brochures, leaflets, banners, catalogues, price lists, flexes and so on. Our experienced team can also design a customized product in case of special requirements.

For modeling, you can choose from a high profile celebrity models, air-hostess, actors and actresses. All these are maintained in great details so that you can pick your favorites with ease. Our professional photographers will ensure that your product gets all the limelight.

Corporate Parties, Websites & Events

Our corporate package has been specially designed keeping in mind the needs of businesses. This includes development of websites. Corporate events like conferences, seminars, product launch, dealer meets, AGMs, media campaigns and award ceremonies are also perfectly managed by our team to give an extra edge above your competitors.

Wedding planning

We make your personal events extra special with a personal touch. Be it Ladies' Sangeet or the Reception - we make sure you are left with memories that you can cherish forever!
